Certification Validity

The certificate provided by Meridian Food Safety Certification program will be valid for a period of 5 years.

Examination Method

Upon finishing the course modules provided, the course learning as a whole for the candidate will be completed. After completing the course modules, the candidate can book their exam by selecting a preferred date and time directly in the course.

Once the exam is scheduled, the candidate will receive an email with a Zoom meeting link to ensure their exam and identity are monitored. On the selected date and time, the candidate can access the exam in his/her enrolled course by logging into the LMS.

On successfully completing the exam, the candidate will be able to download their printable certificate directly from the platform. If student fails, he will be informed and advised to contact the support team for further assistance.

Exam Prerequisites and Conditions

Candidates will have 60 minutes to complete the exam, which consists of 50 questions. To take the exam online, a working webcam is required in the live zoom meeting. A valid photo ID must be presented to complete the exam.

Re-examination

In case of failing to qualify for certificate, candidates can have one free re-attempt within one month after registration. After one month, an additional exam attempt will cost \$18 + tax.

Course Access

Candidates are given 30 days from the date of purchase to complete their course and exam. The course allows candidates to log in and out as often as needed within the 30-day period. Any possible extension requests will require a fee equivalent to the initial payment.

Refund

For refunds, please refer to the refund policy available on our LMS.
